- the pack includes high quality MP3 music recorder - easy to use on Macs or PCs
- create & record original music based on school wide themes
- create and perform original compositions with lyrics
- make, package, and sell a CD of original music
- use music as a cross curricular hub
- involve children in planning, design, creating, packaging, marketing and selling

GLOBAL CITIZENSHIP THROUGH MUSIC PACK

is a cross curricular music resource for schools aimed at non-specialist classroom teachers in P6 & P7.

The pack is organised in 6 standalone parts that can be taught separately or in sequence.

It covers the following curricular areas:

Music • ICT • PSD • Citizenship • Expressive Arts • Enterprise • Creativity & Performance

- study musical styles from 6 different countries
 - Morocco • Brazil • Cuba • Scotland • India • Ghana*
- create, perform and record original compositions with lyrics
- use the internet to create compilation CDs
- research musical tastes of parents, grandparents and own community
- P6/7s lead a music session with P3 children
- learn about copyright, pirating and music theft
- make and sell a CD of original music
- use music as a cross curricular hub

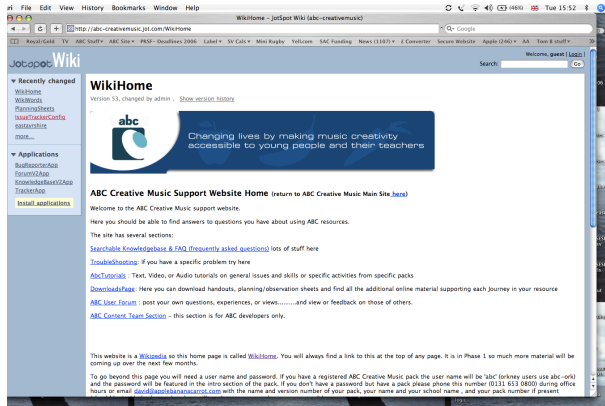

Included in both packs is an easy to use Mp3 recorder, which imports music by drag and drop into Macs or PCs via a USB cable. High quality classroom recordings can be made easily into CDs or podcasts by staff or students.

2 NEW SUPPORT OPTIONS

ABC Creative Music has been working hard to give the teachers already using our resources the additional support resources they have asked for.

SUPPORT WEBSITE

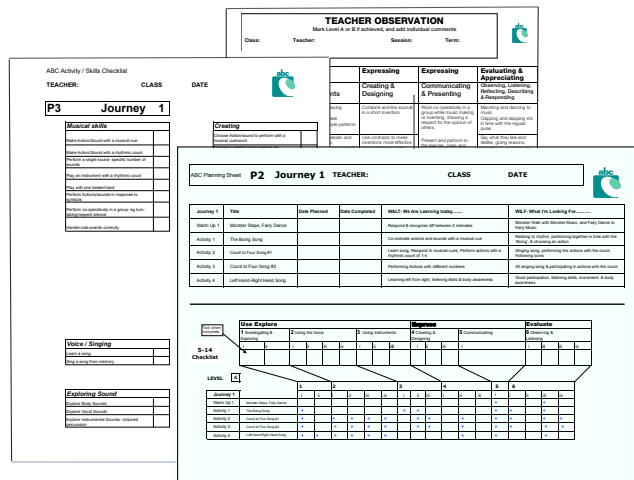

ABC Creative Music now has a support website containing:

- downloadable planning and assessment sheets,
- troubleshooting advice,
- FAQ and searchable knowledgebase,
- audio and video tutorials.

go to www.applebananacarrot.com then follow links to support site

PLANNING. OBSERVATION & ASSESSMENT SHEETS

Planning , assessment, and observation sheets are now available from our support website. Designed by teachers for use by teachers these sheets:

- relate to the 5-14 curriculum
- give clear assessment criteria.
- provide WALT & WILF guidance
- relate to the Curriculum for Excellence.

ALSO:

THE ENTIRE ABC CREATIVE MUSIC PRODUCT RANGE FROM NURSERY TO P7 HAS BEEN REVISED AND IMPROVED FOR THE 06-07 SESSION

please call 0131 653 0800 visit www.applebananacarrot.com or email info@applebananacarrot.com

The WSEI pack and GCTM packs are new resources in the final stages of testing. The final pack may deviate from the description in this document. Internet and download features are dependent on Internet access to iTunes store being available. CD making features require the installation of iTunes software on Mac or PC, which is available free.
